FLUID TERRAIN RANGE

The Fluid Terrain Range (FTR) by Fluid 3D Workshop has been designed to provide highly compatible scenic buildings and terrain with exceptional detail for modelling and table-top gaming enthusiasts.

Our kits are precision cut using industrial laser cutting equipment from high quality materials. They are provided flat packed and require assembly, and while they look great out of the box they can easily be customised and painted.

MATERIALS

This Fluid Terrain Range kit is made from Laser Safe MDF and high quality card.

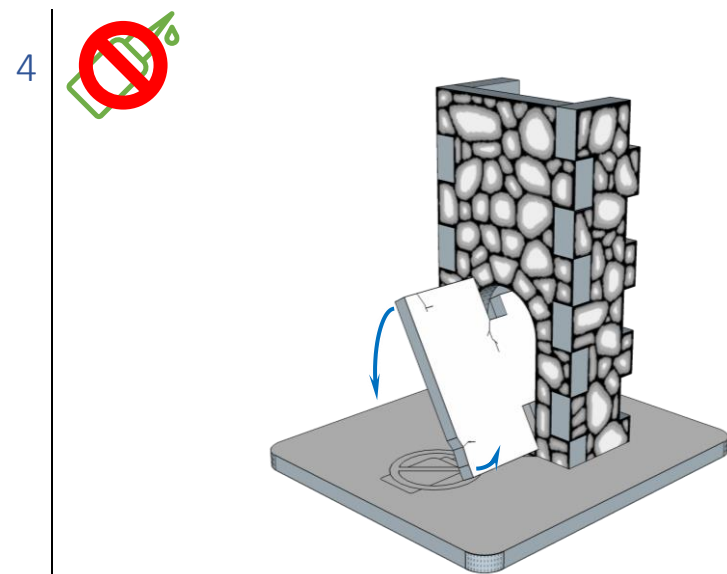

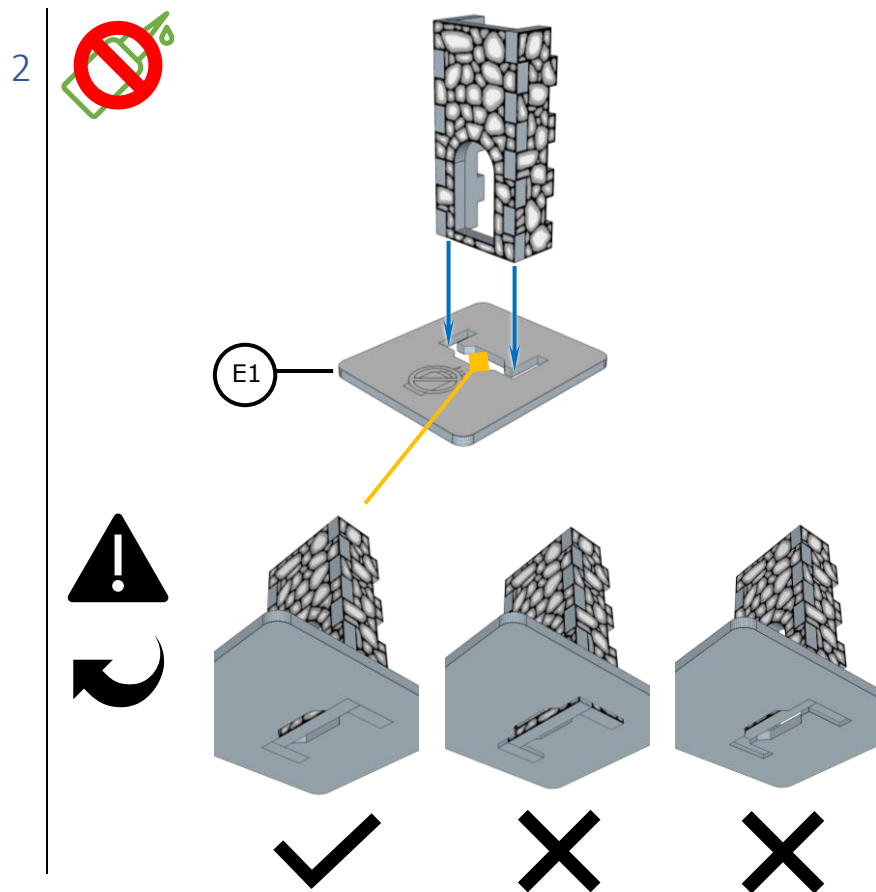

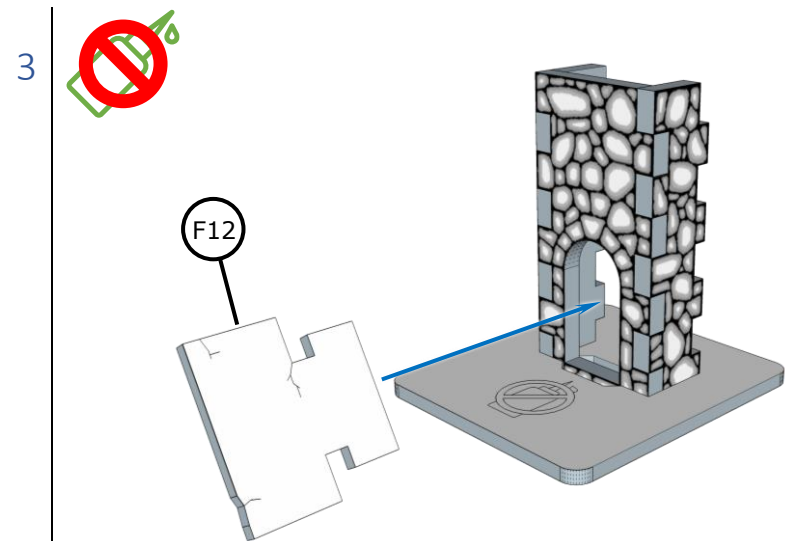

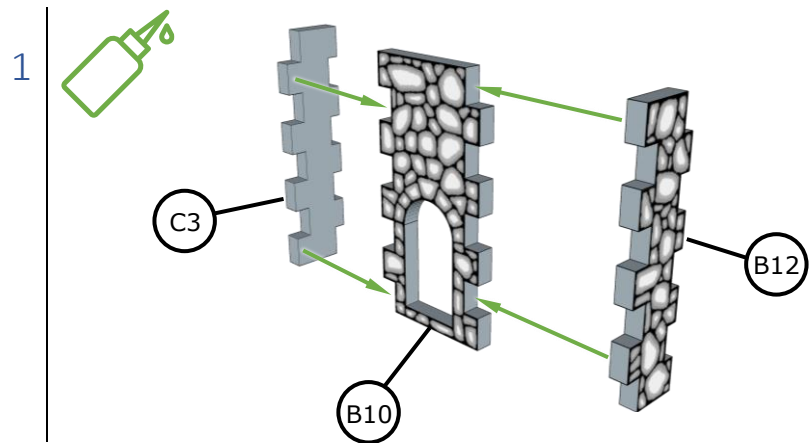

WARNING

This kit is NOT a toy
Not suitable for children under 14 years

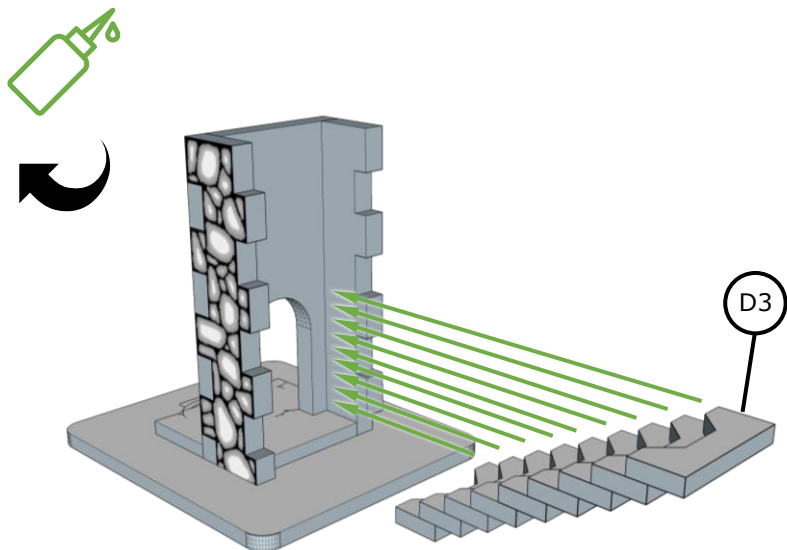

Made in the United Kingdom
