Lieber Sammlerfreund,

unser Blattverzeichnis dient Ihnen beim Sammeln in unseren LINDNER-T Alben und soll Ihnen bei der Zusammenstellung der LINDNER-T Alben behilflich sein. Jedes Blatt unserer LINDNER-T Alben ist einzeln lieferbar. Dadurch kann ab einem x-beliebigen Blatt in unseren LINDNER-T Alben zu sammeln begonnen werden.

Jeder, der z. B. eine Sammlung ab dem Jahrgang 1955 beginnen will, braucht keinen geschlossenen Albenteil zu kaufen. Er kann, bei weiterem Ausbau seiner Sammlung nach rückwärts, jederzeit für einen Jahrgang oder für einen einzelnen Briefmarkensatz, das entsprechende LINDNER-T Blatt beziehen. Unser Blattverzeichnis zeigt hierzu die Michel-Nummern für jede Albumseite auf.

Titelblätter sind mit der Nummer „0“ im Blattverzeichnis aufgeführt. Bei Einzelblatt-Bestellungen wollen Sie bitte folgende Angaben machen: z. B. Sie wünschen die Blätter 16 und 17 von der Bundesrepublik. Bestellen Sie dann bitte

1 x T 120 b/49 Blatt-Nr. 16, 17.

Bestellen Sie korrekt, denn gelieferte Einzelblätter können nicht umgetauscht oder zurückgenommen werden.

Sammler sind von unserem LINDNER-T System begeistert. Wir erweitern deshalb laufend unser LINDNER-T Alben-Programm.

Aus unserem LINDNER-T Alben-Programm erkennen Sie alle bereits im LINDNER-T System lieferbaren Alben. Das LINDNER-T Alben-Programm ist in unserer Preisliste enthalten. Neuerscheinungen werden in der philatelistischen Presse oder durch Sonderprospekte angezeigt.

Nachträge

Die jährlichen Nachträge zu unseren LINDNER-T Alben erscheinen jeweils im Frühjahr und beinhalten die Nachtragsblätter für die Markenausgaben des zurückliegenden Kalenderjahres. Die Preise für die Nachträge sind aus der jeweiligen Nachtragsbestellliste ersichtlich. Das Erscheinen der Nachträge wird in der philatelistischen Presse angezeigt.

*Für Sammler, die ihre Sammlung individuell nach eigenen Vorstellungen gestalten oder eine entsprechende Motiv- oder Themensammlung aufbauen wollen, empfehlen wir das **LINDNER-T Blanko-System** mit den vielfältigen Möglichkeiten. Unter der Best.-Nr. 902 erhalten Sie für DM 3,00 (unverbindliche Preisempfehlung) unsere Broschüre sowie Musterblatt und Blanko-System-Schema. Beachten Sie bitte auch die ausführliche Beschreibung in unserer Preisliste.*

Auch für die Unterbringung der Ausgaben, für die keine Nachträge mit Vordrucken erscheinen, sowie für Kleinbogen, Blocks, Markenheftchen und sonstige Kombinationen, empfehlen wir unser LINDNER-T Blanko-System mit 80 Variationen. Anhand des Blanko-System-Schemas, das kostenlos abgegeben wird, können die jeweils passenden T-Blanko-Blätter selbst ausgesucht werden.

Dear Collector,

our page index is intended to assist you when housing your collection in a LINDNER-T Album. Every page from our LINDNER-T Albums is available as a single page. It is therefore possible to start your collection at any given point in time.

If for example you wish to start your collecting period from 1955 it is not necessary to buy a complete set of pages. If at a later stage you wish to work backwards and obtain the pages prior to 1955 it is just a case of stating what is required and leave the rest to us. The page index is based on the Michel Catalogue numbers which are of course also used by the PHILEX catalogues.

Title pages are given the number "0" in the page index. When ordering single pages will you please quote as follows using as example pages 16 and 17 of the West German album – your order would read:

1 x T 120 b/49 page no's 16, 17.

Please make sure you order the correct page because single pages may not be exchanged or will not be taken back.

Collectors world-wide are very enthusiastic about the LINDNER-T system and for this reason our coverage is continuously being increased.

Our yearly price list shows all the various LINDNER-T Albums available at that time. New editions to our LINDNER-T programme will be announced as they occur through the media of the press etc.

Yearly supplements

The yearly supplements to the LINDNER-T albums are issued in the first half of each year and cover the stamps issued during the previous calendar year. The cost of the yearly supplements will be shown on the supplement list. Various press advertisements will appear when the supplements are available.

For those collectors who wish to do their own arrangement and lay-out and particularly for the thematic collector we recommend the LINDNER-T Blank system. No other system on the market gives as much choice as the LINDNER-T Blank system with 80 different formats. Details of the LINDNER-T Blank system appear in our price list or please write for a sample page and our grid pages giving the various sizes.

For those issues which do not have an illustrated page we recommend the LINDNER-T Blank system. From the grid pages, available free of charge, the most suitable page can be selected in your own time.

Vous qui collectionnez vos timbres dans les albums pré-imprimés LINDNER-T,

sachez que cet Index sera votre outil de travail, absolument indispensable à la composition de votre classement. En effet, les feuillets qui composent les albums LINDNER-T complets sont livrables séparément. Vous pouvez commencer votre collection par n'importe quel feuillet. Si cela vous chante de commencer par l'année 1955, rien ne vous oblige à acquérir l'album correspondant dans sa totalité. Ultérieurement, vous pourrez compléter votre collection à votre guise, en amont, ou en aval, année par année, ou feuille par feuille. Cet Index précise également en face de chaque n° de feuillet la correspondance des timbres pré-imprimés suivant le catalogue MICHEL. Les feuilles-titres portent le n° 0.

Nous vous demanderons de porter le plus grand soin à la rédaction de votre commande. Exemple: les feuilles 16 et 17 de la R.F.A. sont commandées de la façon suivante:

1 x T 120 b/49 f. 16, 17.

Veuillez être très précis dans vos commandes, les feuilles isolées ne pouvant être ni échangées ni reprises.

La gamme des albums LINDNER-T est régulièrement complétée (voir liste dans notre catalogue).

Compléments

Les compléments des albums paraissent en début de chaque année et comprennent les feuilles complémentaires correspondant aux timbres édités au courant de l'année précédente. Le prix des compléments figure sur le bon de commande spécial.

Pour les collectionneurs qui souhaitent constituer leur collection d'après leurs propres idées ou collectionner des timbres thématiques, il existe notre système pour feuilles neutres LINDNER-T. Vous en trouverez une description précise dans notre catalogue.

Idéales pour le classement des petits blocs, blocs, carnets et autres, pour lesquels il n'existe pas de feuillets pré-imprimés, nos feuilles neutres vous offrent 80 combinaisons différentes. Grâce au schéma, disponible gratuitement, vous pourrez choisir avec précision les modèles qui vous conviennent. Sur demande, feuille-échantillon et schéma.
