GET GOING!

WE'RE LOOKING FOR GO-GETTERS #ELECTRICIANS (M/F/D) FOR ENERGY AND BUILDING SERVICES

A reliable and safe energy supply along with high plant availability are essential for a modern production facility. Our Electricians (m/f/d) specialise in maintaining and repairing our modern fleet of machinery and other electrotechnical systems in our buildings.

PROSPECTS AT SWG

- Planning and installation of electronic systems for building energy supply and infrastructure
- Assembly, commissioning, maintenance and repair of electrotechnical machines
- Programming and reprogramming of our high-tech systems
- Inter-company training courses

REQUIREMENTS

- Intermediate school leaving certificate
- Sense of responsibility and perseverance
- Good spatial imagination and precise working approach
- Interest in mathematics and physics
- Craftsmanship and technical understanding
- Enjoyment of independent work

Commercial School of Schwäbisch Hall or Öhringen | Starting 1 September of the year | 3.5 years

So what comes next?

Diverse tasks involving important duties await you in our operational maintenance team. Or you could undergo further training to become a Foreman (m/f/d) or Technician (m/f/d).
