GET GOING!

## WE'RE LOOKING FOR GO-GETTERS #WAREHOUSE SPECIALIST (M/F/D)

Are you interested in logistics processes, like to get stuck in, and make sure that all orders arrive with customers on time, without any issues? Then this is the perfect choice for you.

Logistics is a key hub in our day-to-day business operations. And as a Warehouse Specialist (m/f/d), you will play a crucial role in this field. During the two-year apprenticeship, you will learn everything you need to know about the different warehouse areas in our logistics centre. You will discover how large quantities of goods from different manufacturers are delivered and stored, perform stock and quality checks, pick goods and get them ready for dispatch. You will also learn how to work with our IT-based management system.

### PROSPECTS AT SWG

- An apprenticeship with excellent support
- Varied and important activities in our logistics centre
- Excellent prospects for moving into a fixed employment relationship
- Opportunities for professional development

### REQUIREMENTS

- Intermediate school leaving certificate or good basic school qualification
- Interest in logistics workflows
- Enjoyment of physical work
- Communication skills and team player
- Independent
- Reliable and goal-oriented working style

Commercial School of Künzelsau or Öhringen | Starting 1 September of the year | 2 years

### So what comes next?

Interesting tasks in the different logistics areas await you in our logistics centre. Or if you want to achieve even more after two years, here's a suggestion: With good performance and in consultation with the training institute, you can expand the apprenticeship by a third year to become a Specialist in Warehouse Logistics (m/f/d).
