

The background of the advertisement is a collage of various motorcycle wheels and tires. In the top left, there's a wheel with a black tire and a silver hub. Below it, a blue wheel with a black tire. To the right, a yellow wheel with a black tire. In the bottom right, a purple wheel with a black tire. The wheels have different spoke colors: some are multi-colored (blue, green, yellow, red), some are black, and some are silver. The tires have different tread patterns. The overall theme is customization and individuality.
