NeoPix 520

NPX520/INT

Pay Less, Watch More

Compact, silent and designed to produce bright and colorful images in a dark room, the NeoPix 520 boasts a 100-inch wide True Full HD 1080p resolution. Thanks to Android TV, your favorite content is always at your fingertips, with Netflix, Prime, Hulu, Disney+ and more. Get instant playbacks by asking the Google Assistant! The built-in Chromecast lets you stream your favorite entertainment and apps directly to your projector from your phone, tablet, or laptop!

Keystone and 4 corner correction help eliminate crooked, distorted images for a perfectly proportioned picture even if the device is not straight in front of the wall. Focus technology and digital zoom allow you to fine-tune pictures to your needs and place your projector at any distance.

The HDMI port allows you to connect your game console or other devices, such as laptops, smartphones, or DVD players. The powerful 2.1 audio system (two speakers and a subwoofer) offers sensational sound for a total immersive movie experience. You can also seamlessly pair with Bluetooth speakers or headphones!
