Auxiliary holder for the assembly of module
Zusätzliche Halterung für die Modulmontage
Support auxiliaire pour l'assemblage du module
Вспомогательный держатель для сборки модуля

Nutné zajistit modul proti překlopení. Doporučujeme vyrobit držák z balení (prkna + výložky) nebo zajistit jiným způsobem.

The module must be secured against falling. We recommend that you make a holder from the transport box (boards + foam liner) or that you secure the module in other safe way.

Das Modul muss gegen Umkippen gesichert werden. Wir empfehlen, einen Halter aus der Verpackung (Bretter + Liner) zu machen oder das Modul auf andere Weise zu sichern.

Il est nécessaire d'assurer le module contre son renversement. Nous recommandons de fabriquer le support de l'emballage (les planches + les parements) ou de l'assurer autrement.

Необходимо обезопасить модуль от опрокидывания. Мы рекомендуем сделать держатель из упаковки (доски + вкладыши) или закрепить его другим способом.
