

Multi-Sport-Net

Assembly instructions

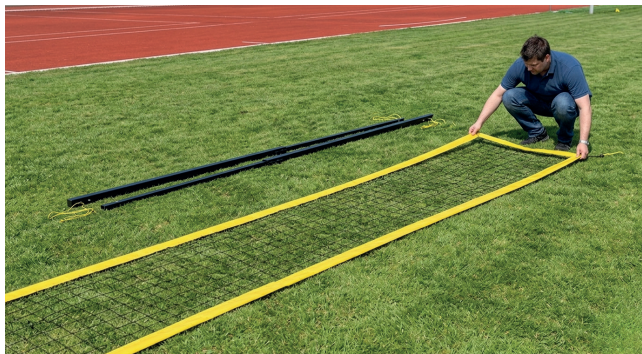

1

Connect the two post sets, each consisting of 3 parts. Attach one pipe clamp to the top of each set and another approximately 1 meter below.

2

Spread the net.

Attach the steel cable and tensioning line to the upper pipe clamp.

3

Erect the post and brace it laterally.

Multi-Sport-Net

Assembly instructions

4

Repeat the same procedure for the second post.

5

Align the posts.

Multi-Sport-Net

Assembly instructions

**6**

Center the net and stretch it laterally against the posts.
